SUMMARY

My name is Luiz Henrique Mendes, I am 22 years old and currently a Development Intern at Studio VS. I am pursuing a Bachelor's degree in Computer Science at CEFET/RJ, currently in the seventh semester, and my goal is to work with Game Development. I had my first contact with programming during high school, when I tried to develop my first game, and since then I have worked on personal projects (RunDuckRun) and college projects (ScrumSaga). This is the career path I want to follow in my life, so I am constantly studying and improving my skills and knowledge.
